Illinois Campus Cluster Program
Storage Investment Service Level Definition

**Term**

The term of this agreement is for four (4) years from the date of investment. See the “Retirement Phase” section of the Overall Program Service Level Definition for the disposition of equipment at the normal end of term.

**Service Overview**

Investors in additional storage also agree to the terms in the Illinois Campus Cluster Program Overall Program Service Level Definition.

Investors agree to invest in storage resources in units of 10 3TB (raw) disks. Each unit of 10 will provide approximately 21.5TB of usable space. Investors may choose to utilize snapshots per the terms in the Overall Program Service Level Definition with the understanding that this will consume some of their useable space.

**Termination**

Either party may terminate this agreement by providing written notification to the other party thirty (30) days in advance of termination. In the event of termination within the first two years of the agreement, Investors may receive the hard drives in which they invested. All hard drives of the number and type in which invested will be transferred to the Investor. The agreement cannot be terminated after two years.
